

Worldpay Partners with Santander UK to Enhance Payment Solutions for Businesses

June 12, 2025

We are thrilled to announce a strategic partnership with Santander UK, a leading bank in the United Kingdom. Through this partnership, Santander-banked customers will gain access to Worldpay's comprehensive in-store, online, and value-added services solutions.

By combining Worldpay's innovative payment solutions, like [Worldpay 360](#) and [eCommerce](#), with Santander's extensive customer base, we're poised to deliver significant value to businesses of all sizes. This partnership is set to pave the way for enhanced support and growth opportunities for businesses throughout the UK.

Chris Wood, general manager for SMB UK and Ireland at Worldpay said: "Worldpay and Santander have a shared mission to support the growth of the UK's vibrant SMB sector by facilitating their digital transformation and providing them with the tools and technology needed to meet evolving consumer expectations. This long-term agreement opens an important new distribution channel with one of the UK's most preeminent banks to support more businesses with the tools they need to drive growth."
